

About Me:

Hello! My name is Jesse Gatenby, and I am honored to have the opportunity to work with the youth in our community through this program. I am a mother of three with a deep love for God, serving others, and helping young people grow in confidence, character, and faith.

I have over 25 years of experience working with children and youth of various ages in many different settings. My background includes working in daycare, running my own in-home daycare for 13 years, and working in both middle school and high school environments. I have also spent the last three years coordinating a life group at a local middle school, where I have enjoyed mentoring and encouraging students through faith-based connection and support.

I have attended Harvest Chapel for well over a decade and have been actively involved in children's ministry and continued ministry studies. I currently work at Selah Home as a residential care taker and the YMCA in the Kids Zone.

I believe strongly in leading with compassion, patience, encouragement, and a servant's heart. My desire is to create a safe and uplifting environment where every young person feels valued, included, and inspired to grow both personally and spiritually.

My Approach:

I strive to create an environment where every participant feels:

- Safe and respected
- Encouraged to participate
- Valued for who they are
- Supported in trying new experiences
- Included and heard

I understand the trust parents place in youth leaders, and I take that responsibility seriously. My goal is to provide a structured, uplifting, and engaging experience that helps youth grow socially, emotionally, and spiritually.
